Pace of Play

In order to accommodate 168 players, it is essential that the game be played at a brisk pace which may be defined as 4:15 in groups of three during the Championship rounds. If and when it should become necessary to give players in each group a penalty for slow play, we hope they will react with the understanding that we do it in the best interest of the Championship and the other players. The pace of play for the Championship will be posted on the Notice to Players. [FSGA Pace of Play Policy](#).

The FSGA Pace of Play Policy utilizes a two checkpoint system.

- **Players will NOT receive warnings.**
- **Each group is responsible for monitoring their own pace.**
- **To avoid penalty, groups must complete each checkpoint hole:**
 1. **Within 15 minutes of the group ahead, or**
 2. **Under the allotted time.**
- **Checkpoints on each course will be on holes #9 and #18.**
- **All players in a group in breach are subject to penalty.**
