WEST PALM BEACH, Fla. -- Andrea Dornin of Miami Springs has won the Florida Women's State Amateur Championship for the second time in three years.

Dornin won five matches in four days, beating Diane Thompson of Ormond Beach in the championship match, 1-up, on the 5,566-yard Lakes course at Bear Lakes Country Club.

It was the second year in a row Thompson had lost in the finals. She was beaten by Taffy Brower of Ocean Ridge, 3 and 1, in 1990 at Plantation Country Club in Venice.

By further coincidence, Dornin beat Thompson 4 and 3 in the semifinals enroute to her first Florida Women's Amateur title, in 1989 at Saddlebrook Resort in Wesley Chapel.

In the finals here, neither led by one than one hole, Thompson twice early in the match and Dornin twice later, taking the lead the last time with a birdie at the 15th hole.

Dornin, 28, shot 36-36--72, while Thompson, 39, had 37-36--73. Each had two birdies. The difference ultimately became Thompson's three bogies to a pair by Dornin.

Robin Weiss of Palm Beach, a member of the 1990 U.S. Curtis Cup team, earned qualifying medalist honors with 68, the first time she had broken 70 in competition. She lost in the second round.

Curtis Cup captain Leslie Shannon of Fort Lauderdale, a playing member of the 1986 and 1988 teams and competing in the Florida Women's Amateur for the first time since 1987, was denied in her bid for a record-equalling sixth title, losing to Dornin in the semifinals, at the 21st hole.

The tournament drew some 220 entries who competed for 176 spots in the match play draw, 32 in the championship flight and nine lower flights of 16 each.

The 63rd annual Florida Women's State Amateur Championship will be played May 3-8, 1992, at Indian Lakes Country Club in Daytona Beach.
