HEADLINE: STATE MIXED TEAM COMMENCES 1992 FSGA SCHEDULE

Despite cold and rainy conditions, the Florida State Golf Association began its 1992 tournament schedule March 21-22 in Lady Lake. Harbor Hills Country Club hosted the State Mixed Team Championship which attracted a record 58 teams. The tournament employs quota points based on the stableford system of scoring, which allows golfers of all abilities to compete on the same level.

In the first flight, Ray and Kay Landry utilized a strong Sunday finish to capture top honors. The couple from Lake Mary edged out runners-up Tom Christensen and Wendi Rowe of Gainesville by seven points over the two-day event. Hal and Cindy Miller of Sarasota finished third.

Second flight scoring was dominated by Ray and Rosemary Parlade of Daytona Beach, whose championship total of 21 points established a new tournament record. Second place belonged to Stuart's Dalele and Maggie Anderson, who nipped Norm Donnelly and Mary Keim of Sarasota by a single point to garner the runner-up spot.
