FOUR-BALL CHAMPS SHOCK THE FIELD

World Woods' Rolling Oaks is a challenging, if not downright difficult, golf course. At least most of the players at this year's State Four-Ball Championship thought so. Several teams felt good about their chances after the first round, with scores of 65 or 66. Then a 59 was posted on the scoreboard next to the names of Randy Briggs and Daniel Owen. Jaws dropped, and several competitors jokingly asked for a polygraph exam to be administered to the culprits. But the 59 was simply one of the outstanding performances in FSGA history. Briggs (Ocala) and Owen (Candler) had a total of twelve birdies and an eagle during their record round. The second round was a cakewalk as they cruised to a seven stroke win.
