4	180
5-8	150

**Professional Purse** - The professional's prize list above represents a purse of \$50,000 and is payable only to players making the cut (low 60 players and ties). The \$50,000 purse is divided between the Open and Senior Divisions based upon the number of players entered in each division as of Friday of Championship week.

**Order of Payment** - Professionals will be paid in order of finish without regard to amateurs. The lowest scoring professional will receive the 1st prize and the 10th lowest scoring professional will receive the 10th place money even though several amateurs may finish better than 10th. Players who make the cut, but fail to finish 54-holes will receive the minimum payout.

**Treatment of Ties** - Ties will be broken by play-off for overall Champion in each division only. Price amounts for all tied positions will be combined and divided between the tied players.

**Method of Payment** - Checks will be mailed the week following the Championship to the address provided by each player on their entry form. Gift certificates will be available immediately after the awards ceremony and are redeemable in the Golf Shop of the host club.

**Rain Shortened Event** - In the event of a 36-hole Championship, the top 60 players and ties will receive prizes.
