Summarize how exemptions will be distributed:

Requirements & Limitations

- Must be approved and listed on FJT website.
- Program is given a specific number of exemptions to use each calendar year.
 - Program decides how to divide exemptions between boys and girls and age divisions
- Restrictions on granting exemptions
 - No more than two exemptions to a player for any one performance
- Exemptions may only be granted or earned based on:
 - Tournament results
 - Points list or Player Rankings
- Exemptions may not be granted based on donations, or given out randomly.

- STEP Exemption Program is required to make every effort to play in the concurrent year's Junior Team Championship
- Limited use of FJT STEP logo.
 - A Florida Junior Tour STEP logo will be provided to each approved program
 - Restrictions on advertisement and logo placement of tournament
 - "Florida Junior Tour," "FJT," or "FJT STEP" must not be used in the title of the tournament

Ages

- Age Divisions
 - 18 and under. If someone 12 or younger earns an FJT exemption they are not eligible to play on the Florida Junior Tour (13-15 age division) until they meet FJT age requirements.
 - We do not award exemptions to our 10 & under age division.

Results & Awarding Exemptions

- The program/tour/association is responsible for reporting the results to the FSGA/FJT via email. A word or excel document must be emailed to brian@fsga.org and byurigan@fsga.org with the date, who earned FJT exemptions and how many were earned. Players will not receive exemptions until results are reported.
- It may take up to one week for the exemptions to appear on the player's profile.
- Players must have an FJT account to be awarded any exemptions. If the player is not an FJT member then it is the player's responsibility to notify the FJT when he/she joins the FJT and that an exemption needs to be added to their profile.
- An FJT exemption does not guarantee a player entrance into an event. Please see the FJT Field Determination policy on the FJT website.
- To play in an FJT event, all players must be members of the FJT and submit an entry with the specified entry fee. An exemption is not a free entry.

FSGA Withdrawing Exemptions

- The FSGA reserves the right to terminate the relationship and eliminate any FJT exemptions to be earned at future events.
 - Reasons for withdrawal of FJT Exemptions are, but not limited to:
 - Not operating tournaments under the Rules of Golf
 - Small field sizes and/or weak strength of fields
 - Division must have 6 or more players tee off in the event
 - Players must generally break 80 (18-holes) or 160 (36-holes)
 - Numerous complaints from players/parents
 - Complaints from host Clubs
 - Financial concerns
 - Poor treatment of players
 - Not reporting results to FSGA in a timely manner
 - Improper use of FJT Exemption in regards to advertising and improper use of logos
 - Breaching any agreements

- If the FSGA decides to withdraw the FJT STEP from your program/tour/association, all advertisement or promotion of the FJT STEP program must be terminated immediately.
