

FLORIDA STATE GOLF ASSOCIATION
Local Rules and Terms of the Competition
(effective February 4, 2026)

The Rules of Golf as approved by the USGA and R&A Rules Limited govern play. These Local Rules and Terms of the Competition are in effect at all FSGA competitions and qualifying rounds. See applicable competition Notice to Players, Code of Conduct, FSGA Championship Policies and entry application for modifications or additions to these Local Rules. Complete text of the Rules and Local Rules may be found in the *Official Guide to the Rules of Golf*, effective January 2023.

Disregard Local Rules printed on club scorecards or posted at the course.

Unless otherwise noted, the penalty for breach of a Local Rule or Condition is the general penalty.

LOCAL RULES

OUT OF BOUNDS:

- a) Defined by the line between the course-side points of white stakes, lines, and boundary fence posts at ground level.
- b) When a paved road or curb defines out of bounds, a ball that is on or beyond the road or curb is out of bounds even though it may lie on another part of the golf course.

PENALTY AREAS:

- a) When a penalty area is the out of bounds edge, the penalty area edge extends to and coincides with the out of bounds.
- b) When a penalty area coincides with out of bounds, Model Local Rule B-2.2 is in effect, allowing an additional relief option on the opposite side of a red penalty area equidistant to the reference point.

OBSTRUCTIONS:

- a) White-lined areas of ground under repair that tie into immovable obstructions are treated as a single obstruction.
- b) When the outside edge (non-golf course side) of a road or path defines the edge of a penalty area or out of bounds, the road or path is an immovable obstruction.

GROUND UNDER REPAIR: Defined by white lines. Other areas of ground under repair, even when not marked, include:

- a) French drains (trenches filled with stones or the like)
- b) Large or hard ant hills on the course.

ANIMAL NEAR BALL: Model Local Rule E-13 is in effect.

WOOD CHIPS AND MULCH: Wood chips and mulch are loose impediments.

IMMOVABLE OBSTRUCTIONS CLOSE TO PUTTING GREEN: Model Local Rule F-5.2 is in effect and includes ground under repair. Relief is available only when both the ball and the obstruction or ground under repair lie in a closely mown area (fairway height or lower) of the general area.

INTEGRAL OBJECTS:

- a) Cables, rods, wires and wrappings when closely attached to trees.
- b) Artificial walls and pilings when located in penalty areas or in or adjacent to bunkers, and bunker liners.
An exposed bunker liner may be treated as ground under repair, but interference does not exist if the liner interferes only with the player's stance.

RELIEF FROM SEAMS OF CUT TURF: Model Local Rule F-7 is in effect. Relief is available only for lie of ball or area of intended swing.

LIST OF CONFORMING DRIVER HEADS AND GOLF BALLS: Model Local Rules G-1 and G-3 are in effect.

A player who will play, or has played, under stroke and distance is authorized to ride on motorized transportation.

PACE OF PLAY: See FSGA Championship Pace of Play Policy.

STOPPING AND RESUMING PLAY: Model Local Rule J-1 is in effect. All practice areas are closed during a suspension for a dangerous situation until the Committee has declared them open. Failure to comply may result in revocation of entry.
